The Instream Flow Council announces a poster session at the FLOW 2011: Instream Flow Valuation in Public Decision-Making conference to be held May 2-4, 2011, in Nashville, Tennessee.

Abstracts for the poster session should meet at least one of the following:

- Provide creative and interdisciplinary tools and approaches to instream flow problem-solving and/or valuation;
- Explore the latest developments in instream flow science, valuation, policy, and public involvement;
- Contribute experiences in defining, developing, and implementing collaborative strategies to further improve instream flow problem-solving and valuation; and/or
- Provide case studies of strategies that have established instream flow valuation and/or instream flow policies.

The deadline for abstract submissions is **February 14, 2011**. A maximum of 30 abstracts will be selected for the program. Submitters will be notified of acceptance and poster submittal guidelines by March 3, 2011. All abstracts must be submitted online via the link below.
